Environment Free of Alcohol, Drugs and Sexual and/or Workplace Harassment

On November 28, 1988, the United States Congress passed the Drug Free Workplace Act (41 United States Code, § 701 - 707). Under this Act, no entity contracting with or receiving funds from the Federal Government may participate in these benefits unless it expressly establishes a policy and system to ensure that the workplace is free from illegal possession, use, distribution, or trafficking in controlled substances. The state entity that does not comply with this policy established in said Federal Law, may be excluded from the aforementioned federal benefits. Therefore, the Local Area expressly adopts the provisions of the Federal Law on Drug-Free Work Centers and incorporates all its policy and requirements in this MOU/AFI.

Strict Requirements Policy

All partners agree to observe the strictest term at any point in the MOU where different criteria apply, provided that it does not conflict with federal and/or state provisions.

Transferability of the MOU/IFA

This MOU/IFA shall remain in full force and effect until the designation of the operator CGUL-AJC. The designated operator of the CGUL-AJC will assume the role of the Local Board as appropriate in areas such as operational responsibility, record keeping, reporting, performance measures, continuous improvement and standards.
